In poetry recitation, many students have participated. In this event students recited not only English poems but also Telugu poems which we have learnt in our childhood.

Our language nest members in publicity i.e. EBM's gave many suggestions, uses and inspiring speeches about this golden opportunity of poetry recitation. This will help to awaken the art in the students because there are around 31 participants.

This event was conducted in online mode due to some issues, but students confidently and wonderfully gave their poetry recitation and made this event successful.

Here are the three winners of this event. These three were frequent, confident and recited in an extraordinary way.
