VENUE: T&P Cell

DATE OF THE EVENT CONDUCTED: 01-12-2022

Language nest club by collaborating with the S.R.K.R. Toast masters conducted an event, which is named as STORY TELLING , at which the students who are going to participate need to narrate a story at the given time on the spot .This event was held on 12th December, 2022 at T&P cell, S.R.K.R. in this event nearly 20 people has actively participated and made this event a grand success.

Story telling uses words to create new worlds and experiences in a reader or listener's imagination. Story telling can impact human emotions and it can also lead people to accept original ideas or encourage them to take

Through this activity students can build up their various skills such as

- Boosts their listening skills.
- Fosters their imagination.
- Increases their cultural understanding.
- Enhances their communication skills.
- Help sharpen memory.
- Makes learning easier.
- Improves social skills.

As too improve all these skills in a student these kind of events are being conducted by the team of language nest along with the toast masters.
